Forensic Audit Solutions, LLC provides forensic accounting services to clients within the corporate, private business, legal, and government sectors. Professional services provided include, but are not limited to, civil and criminal litigation support, fraud examination, probate and matrimonial matters, asset tracing, fraud prevention, and the evaluation of internal control systems.

Founder and principal, Timothy Weir, a former FBI Special Agent, is a licensed Certified Public Accountant (NY), Certified Fraud Examiner, and Certified Inspector General. Tim earned a Master of Business Administration (MBA) with a concentration in finance from the University of Rochester's Simon School of Business in 2011 and holds a dual degree in Accounting and Business Administration from the University of Kansas. During his 26-year career with the FBI, Tim held the positions of Special Agent, Supervisory Special Agent, and Assistant Inspector serving in the Rochester FBI office and the Inspection Division at FBI Headquarters. Tim's professional experience includes the investigation of financial crimes to include corporate and government fraud, financial institution fraud, theft or misappropriation of assets, money laundering, and public corruption.

In addition, Tim is a member of the University of Rochester Simon Business School adjunct faculty, where he teaches a master level forensic accounting course titled, Accounting Analytics for Forensics. Tim also provides training presentations on forensic accounting topics, to include fraud investigation, fraud prevention, professional ethics, and related risk management topics. Tim is a member of the American Institute of Certified Public Accountants, the New York Society of Certified Public Accountants, the Association of Certified Fraud Examiners, the Association of Inspectors General, and the Institute of Internal Auditors.
