Connecticut Massachusetts Vermont New Hampshire Maine Rhode Island New Jersey Pennsylvania

Digital forensic laboratory providing services and training exclusively to state and federal public defenders.

**“We Get More, Faster – For Less”**

## When it Matters Most!

**eLab** provides both laboratory and on-site digital evidence capabilities. Our diversified resources allow us to provide the widest range of expert services.

- **Rapid response**
- **Parity with resources of law enforcement**
- **Staffed by cross trained, board certified criminal defense investigators**
- **Approved vendor state & federal courts**

We maintain the highest ethical and professional standards. Utilizing ISO compliant laboratory quality system standards, backed by detailed reports and expert testimony, we provide the most reliable, cost effective services available.
