Re: Expert Witness Panel

Dear Mr. Jones:

The Committee of Superior Court Judges appointed to maintain a Panel of Expert Witnesses met recently and discussed your request for a fee increase. Because court-appointed experts are paid with scarce public funds, our committee very seldom agrees to increase fee structures. You are one of a very few experts who have been exceptions to this general practice and I am happy to report that the committee agreed to your requested fee increase.

The box below contains the information that will now be included in your listing. Please look this over carefully and make any necessary corrections. If there are any corrections, please return a copy of this letter with the corrections no later than June 8, 2022, addressed to: **Foltz Criminal Justice Center, 210 W. Temple Street, Room 5-508, Los Angeles, CA 90012, Attn: Paulette Iriarte, Judicial Secretary.** If your form is not returned by this date, your listing will remain as in the box below.

The new panel directory will be published shortly. However, there is no guarantee that an appointing bench officer will not have an older version and miss the change in your fee structure. To avoid this, I would appreciate it if you would advise any lawyer who is seeking your appointment of the approved change in your fees and inform them that they can have the bench officer with whom they are dealing contact me directly if there is a question. Again, thank you.

//

Again, thank you very much for your continuing service to our court as an expert witness.

Very truly yours,
